SUNNYSIDE REFORMED CHURCH

125 Years of Celebrating Christ in Word and Deed

January 2024

Dear Parents,

The Spring Term of the Sunnyside Family Network will run from February 1st, 2024 through June 14th, 2024. As always, this promises to be another very good season. We're continuing to work on the physical space, getting new todays ready and generally improving our programming.

Parents/caregiver involvement is a key component of the Sunnyside Family Network. The participation of parents not only reduces the cost of the program, but also promotes a caring atmosphere for all involved. It is understood that parents will help with the set-up and tear-down of the play equipment at each session.

To maintain a pleasant and safe program, each session is limited to around twenty families. However, we make every effort to accommodate everyone. A registration form for this season is on the back of this letter.

The fees for the Spring Term are listed below. Please register for a group as listed below. Unfortunately, we do not accept monthly or day-by-day payments. Please pay for your total number of sessions at registration.
